From the Commander

I would like to take the time and thank all that participated in the Cookies with Santa event on 15 December. It was a great community-building event for our Post. To those Post Members who regularly attend the Fairfield Bay Post 4513 General Membership Meeting (GMM) and conscientiously contribute to post functions, we sincerely thank all of you. To all other post members, we cannot stress enough that we need your presence at the GMM and your participation at post 4513 functions, activities, and events. Please join us at the meetings and at the various VFW sponsored events. Our Post General Membership Meeting is at 10:00am on the 2nd Saturday of each month, unless otherwise scheduled according to VFW procedures.

Quartermaster Corner:

Soon we will be starting off on what I hope will be a growth for 4513. Your bartenders have volunteered to work just for tips starting January 1, to help keep cost down so we can pay our bills. If you are there at end of night please ask your bartenders if they need help to restock or take out trash. Remember your bartender and thank them for helping out. Every bit helps.

Beginning of every month we start off approximately \$2300.00 in the hole for bills due the first 2 weeks of the month, which does not include buying liquor for bar or taxes to state. Everything is being done to trim cost. We are all hoping by June to see improvement in our finance's. If you are a member, please consider volunteering for upcoming events. I am also looking into the possibility of organizing a farmers market made up of local farmers and crafters to be held Saturdays starting in spring in the V's parking lot. If you know of anyone interested have them contact me 479-466-5248 or qm4513ar@gmail.com Also April 25th the house committee has set the date for a ATV/UTV poker run. More information provided as we develop this event to help build up the general fund.

Chaplains Corner: As we enter the new year it is important that we continue to remember to encourage one another in our spiritual, physical, and mental health. That includes rejoicing with others in their success and bearing each other's burdens. Our prayers for peace and unity in a divided nation and world is a step toward peace of mind and international understanding.

Blessings to all for the new year. Rh
